

A special message from Assemblyman Dean Murray

We shouldn't be worried a sex offender is living next door.

Assemblyman Dean Murray is **fighting to make sure registered sex offenders are NEVER allowed to live near schools, playgrounds, or day care centers.**

And when sex offenders were allowed to become drivers for ridesharing companies, Dean passed a law closing the dangerous loophole to protect our friends and families. (A.8493 of 2017)

Dean's plan for a safe community:

- Stop registered sex offenders from being “dumped” and “clustered” in our neighborhoods
- Require state leaders to enforce the law preventing groups of sex offenders from living at the same address
- Restrict sex offenders from residing within 1000 feet of school grounds or a playground (A.1665)
- Throw predators in jail by extending the statute of limitations for certain sex crimes committed against children under 18 (A.1725)
- Require certain Level 1 sex offenders be monitored and surveilled for an additional 10 years (A.1651)
