DEAN MURRAY NYS ASSEMBLY

EMPOWERING THEIR FUTURE

As Ranking Minority Member of the Assembly Education Committee, Assemblyman Dean Murray is fighting each day to give our students world-class educational opportunities.

And when some wanted to send funding meant for Long Island schools to upstate and New York City, Dean made sure we got our fair share.

Dean's always working to build a bright future for our students:

- 📖 Voted to secure \$26.03 billion in education aid, **a \$859.1 million increase from last year.** (A.9504-d)
- 📖 Supports initiatives like the Smart School Bond Act – bringing **more computers, tablets, smartboards and security upgrades to our schools.**
- 📖 A leading voice **against high-stakes testing and state-mandated curriculum requirements.**
- 📖 Sponsors legislation providing **alternative pathways to graduation through technical fields and the trades.** (A.7972-a)
- 📖 Introduced legislation **prohibiting schools from placing state assessment test scores on a student's official transcript.** (A.10558)
